NATIONAL UNIVERSITY
Of Computer & Emerging Sciences
Peshawar Campus

Ref No. PWR/HOD/CS/4308

**Dated: 20th October 2023**

To Whom It May Concern

My name is Dr. Hafeez Ur Rehman and I am currently serving as an Associate Professor at the National University of Computer & Emerging Sciences, Peshawar, Pakistan. My research work is focused on Computational Biology as well as Biomedical Imaging. I am writing this letter at the request of Mr. Muhammad Sharjeel Akhtar to acknowledge the excellent work that he carried out as my student in the course of *Artificial Intelligence*. Although new to the field, he actively participated in classroom discussions and always stood out to help his fellow students.

Apart from my course, in general, Mr. Muhammad Sharjeel Akhtar is a very hard-working person and has a great motivation and diligence towards learning new things, independently. With his utmost devotion and understanding of his work he always inspired his fellow team members. Academically, I rank him **among the top 1% students** of my class.

On a personal level, Mr. Muhammad Sharjeel Akhtar is a terrific person to know, to work as well as to hang out with. He has a deep culture, and a patient and friendly demeanor, which will serve him well, not only when working with his peers, but also in positions in which he will direct others. Never have I seen him become frustrated or impatient with another person. He is generous with his knowledge and time. In short, he has all the qualities and skills that will make him successful on a professional work environment.

He has my **highest recommendation** for higher studies as well as for any prestigious job (including teaching and/or research position) that he might be offered. Should you have any questions with regards to Mr. Muhammad Sharjeel Akhtar, I will be pleased to answer them directly.

Best regards,

Head Dept. of Computer Science
National University of Computer &
Emerging Sciences, Peshawar Campus

Dr. Hafeez Ur Rehman
Associate Professor &
Head of Computer Science Department,
FAST-NUCES Peshawar.
