

Internship Completion Letter

Muhammad Sharjeel Akhtar has completed a 6-week virtual internship with Automation Play, in collaboration with the Industry 4.0 IIoT Boot Camp. The recipient demonstrated a strong eagerness to learn, adapt, and contribute to the team, demonstrating enthusiasm and professionalism. They made exceptional contributions, gaining hands-on experience in various software applications, including PLC, HMI, SCADA, NodeRed, AI/ML, and Cloud technologies. The company also organized webinars to connect students with the industrial landscape, providing insights into opportunities and demands.

The recipient's outstanding attendance, punctuality, positive attitude, effective communication skills, and collaboration with colleagues were highly appreciated. As they progress in their academic and professional journey, the recipient is confident that they will continue to excel and make a significant impact. The experience with Automation Play and the Industry 4.0 IIoT Boot Camp has enriched their knowledge and skills, and they are confident that they will apply this newfound expertise to achieve greater success in the future.

Congratulations on the successful completion of your internship **Muhammad Sharjeel Akhtar**. We take pride in having had you as an integral part of our team, and we extend our best wishes for your future endeavors.

Muhammad Awais

Founder- Automation Play
